MICHAEL W. DOBBINS  
CLERK, U.S. DISTRICT COURT

Dear Honorable Rebecca Pallmeyer:

Please, since I have not been appointed counsel on any of my cases, could you please send me correspondence informing Cook County Jail to allow me access to the law library as often as I request it. The sessions last (1) hour and currently I am being called every 7 business days. I am working on (4) Federal suits and typing letters to attorney's and I need at least (3) sessions per week. There are times when the copier is down or no postage is available and then I go (2) weeks with no effective access.

Please draft letter & mail it to me  
or Cook County legal dept. Division 5, 2nd Floor.

I can show it to law library clerk and  
she will schedule me accordingly.  
Thank you

Gregory Champion
